LUNCH &

DINER

In the 17th century, master painter Adam Willaerts set up his easel on the banks of the Noord and Merwede. He was inspired by the liveliness of the ships on the river, seen against the silhouette of Dordrecht. Commissioned by the city council of Dordrecht, he managed to immortalize a characteristic oil painting from our Golden Age from this point of view

We hope this place will inspire you with a beautiful view, an accessible kitchen and hospitable service. A place to enjoy. A resting point in busy times or a good reason for a party. Our spacious and partly covered terrace provides comfort from early spring to late autumn. An ideal place for a good glass of wine, delicious bites, lunch or dinner.

Adam Willaerts painting and the contemporary view of Dordrecht are the ingredients of our logo, in which past and present flow seamlessly into each other. A tribute to Adam Willaerts.
